RED HOUSE RECORDS

We at Red House Records, based in the nation's icebox of Minnesota, have a lot of experience with below-zero temperatures and dark, snowy nights. Oddly enough, we've never put out a record to mark the holiday season. Until now. A request for songs brought out the best from Red House veterans and newcomers alike …from Rock 'N Roll Hall of Famer Jorma Kaukonen to Red Hot Mama Davina and the Vagabonds… from First Couple of Americana, Larry Campbell & Teresa Williams to raw acoustic bluesman Charlie Parr … from covers of Elvis and Gordon Lightfoot to a modern-day spiritual from The Wailin' Jennys. Like the season itself, it's an eclectic mix of lust, lament, and gratitude. Even Santa gets him some lovin' (courtesy Bill Kirchen). From our spirit to yours, all the best from Red House Records.

Collection produced by the Red House Records Staff. Mastered by CW Frymire, Modern Minstrel Mastering, Minneapolis, MN. Illustration & Design by Andy DeVore.
